

Standing Seam

Commercial
Industrial / Residential

Steel Tile now offers three 1 1/2" standing-seam profiles: Snap Seam, Mechanical Lock and Nail Strip. With their raised seams, the panels are ideal for low-slope roofs. Mechanical Lock panels require a professional seamer for installation. Snap Seam and Nail Strip are easy-to-install clip-on and nail-on systems. Available in Weather XL or Crinkle SMP Series paint finishes in 26 gauge steel or 24 gauge upon request.

- Three distinct profiles
- For low-slope roofs
- Raised seam prevents water penetration
- Clip-on or nail-on systems
- Panel widths from 14" to 16"
- 26 gauge steel or 24 gauge steel
- Weather XL and Crinkle SMP series paint finishes
- 40 Year paint finish warranty
- Mechanical Lock requires a professional seamer

Steel Tile manufactures a solid line of roofing tiles and accessories that are durable, stylish, cost-efficient and virtually leak-proof.

Home and cottage owners, institutions, builders and architects have all discovered the long-lasting Steel Tile advantage.
