INTERIOR WALL PANEL  
Industrial / Residential

The flexibility and durability of Steel Tile's Summit wall panel creates a crisp and seamless appearance to any interior wall or ceiling project. The thirty six inch wide panel allows for exceptional rigidity and superior coverage. Perfect for a home garage or light industrial interior shops. Summit wall panels can be ordered in custom lengths and are an affordable long lasting feature that most contractors / do-it-yourselfers can manage. Available in a bright white polyester paint finish only with matching trims and fasteners.

Steel Tile manufactures a solid line of roofing tiles and accessories that are durable, stylish, cost-efficient and virtually leak-proof.

Home and cottage owners, institutions, builders and architects have all discovered the long-lasting Steel Tile advantage.
